

TRAITS AND ATTRIBUTES

Telekinetic

You gain the following benefits.

Ability Score Increase. Increase your Intelligence, Wisdom, or Charisma by 1, to a maximum of 20.

Minor Telekinesis. You learn the Mage Hand spell. You can cast it without Verbal or Somatic components, you can make the spectral hand Invisible, and its range and the distance it can be away from you both increase by 30 feet when you cast it. The spell's spellcasting ability is the ability increased by this feat. Telekinetic Shove.

As a Bonus Action, you can telekinetically shove one creature you can see within 30 feet of yourself. When you do so, the target must succeed on a Strength saving throw (DC 8 plus the ability modifier of the score increased by this feat and your Proficiency Bonus) or be moved 5 feet toward or away from you.

Psionics

As a student of psionics, you can master and use psionic talents and disciplines. Psionics is a special form of magic use, distinct from spellcasting.

Psionic Talents

A psionic talent is a minor psionic effect you have mastered. At 1st level, you know one psionic talent of your choice. You learn additional talents of your choice at higher levels.

The Talents Known column of the Mystic table shows the total number of talents you know at each level; when that number goes up for you, choose a new talent. You choose your talents from the Psionic Talents list.

Psionic Disciplines

A psionic discipline is a rigid set of mental exercises that allows a mystic to manifest

psionic power. A mystic masters only a few disciplines at a time and chooses them from the Psionic Discipline list. At 1st level, you know one psionic discipline of your choice.

The Disciplines Known column of the Mystic table shows the total number of disciplines you know at each level; when that number goes up for you, choose a new discipline. In addition, whenever you gain a level in this class, you can replace one discipline you know with a different one of your choice.

Psi Points

You have an internal reservoir of energy that can be devoted to psionic disciplines you know. This energy is represented by psi points. Each psionic discipline describes effects you can create with it by spending a certain number of psi points. A psionic talent requires no psi points. The number of psi points you have is based on your mystic level, as shown in the Psi Points column of the Mystic table. The number shown for your level is your psi point maximum. Your psi points total returns to its maximum when you finish a long rest. The number of psi points you have can't go below 0 or over your maximum.

Psi Limit

Though you have access to a potent amount of psionic energy, it takes training and practice to channel that energy. There is a limit on the number of psi points you can spend to activate psionic discipline. The limit is based on your mystic level, as shown in the Psi Limit column of the Mystic table. For example, as a 3rd-level mystic, you can spend no more than 3psi points on a discipline each time you use it, no matter how many psi points you have.

Psychic Focus

You can focus psionic energy on one of your psionic disciplines to draw ongoing benefits

from it. As a bonus action, you can choose one of your psionic disciplines and gain its psychic focus benefit, which is detailed in that discipline's description. The benefit lasts until you are incapacitated or until you use another bonus action to choose a different focus benefit. You can have only one psychic focus benefit at a time, and using the psychic focus of one discipline doesn't limit your ability to use other disciplines.

Mystical Recovery

Starting at 2nd level, you can draw vigor from the psi energy you use to power your psionic disciplines. Immediately after you spend psi points on a psionic discipline, you can take a bonus action to regain hit points equal to the number of psi points you spent.

Telepathy

At 2nd level, your mind awakens to the ability to communicate via telepathy. You can telepathically speak to any creature you can see within 120 feet of you in this manner. You don't need to share a language with the creature for it to understand your telepathic messages, but the creature must be able to understand at least one language or be telepathic itself.

Strength of Mind

Even the simplest psionic technique requires a deep understanding of how psionic energy can augment mind and body. This understanding allows you to alter your defenses to better deal with threats.

Starting at 4th level, you can replace your proficiency in Wisdom saving throws whenever you finish a short or long rest. To do so, choose Strength, Dexterity, Constitution, or Charisma. You gain proficiency in saves using that ability, instead of Wisdom. This change lasts until you finish your next short or long rest.

PSIONIC TALENTS

Blind Spot

As an action, you erase your image from the mind of one creature you can see within 120 feet of you; the target must succeed on a Wisdom saving throw, or you are invisible to it until the end of your next turn.

Delusion

As an action, you plant a false belief in the mind of one creature that you can see within 60 feet of you. You can create a sound or an image. Only the target of this talent perceives the sound or image you create. If you create a sound, its volume can range from a whisper to a scream. It can be your voice, someone else's voice, a creature's roar, a musical instrument, or any other sound you pick. It lasts for 1 minute. If you create an object, it must fit within a 5-foot cube and can't move or be reflective. The image can't create any effect that influences a sense other than sight. The image lasts for 1 minute, and it disappears if the creature touches it.

MYSTIC: ORDER OF THE IMMORTAL

Immortal Durability

Starting at 1st level, your hit points maximum increases by 1 per mystic level.

In addition, while you aren't wearing armor or wielding a shield, your base AC equals 10 + your Dexterity modifier + your Constitution modifier.

Psionic Resilience

Starting at 3rd level, your psionic energy grants you extraordinary fortitude. At the start of each of your turns, you gain temporary hit points equal to your Intelligence modifier (minimum of 0) if you have at least 1 hit point.

PSIONIC DISCIPLINES

Adaptive Body

You can alter your body to match your surroundings, allowing you to withstand punishing environments. With greater psi energy, you can extend this protection to others.

Psychic Focus: While focused on this discipline, you don't need to eat, breathe, or sleep. To gain the benefits of a long rest, you can spend 8 hours engaged in light activity, rather than sleeping during any of it.

Environmental Adaptation (2 psi): As an action, you or a creature you touch ignores the effects of extreme heat or cold (but not cold or fire damage) for the next hour.

Adaptive Shield (3 psi): When you take acid, cold, fire, lightning, or thunder damage, you can use your reaction to gain resistance to damage of that type, including the triggering damage until your next turn.

Energy Adaptation (5 psi; conc., 1 hr.): As an action, you can touch one creature and give it resistance to acid, cold, fire, lightning, or thunder damage (your choice), which lasts until your concentration ends.

Energy Immunity (7 psi; conc., 1 hr.): As an action, you can touch one creature and give it immunity to acid, cold, fire, lightning, or thunder damage (your choice), which lasts until your concentration ends.

Bestial Form

You transform your body, gaining traits of different beasts.

Psychic Focus: While focused on this discipline, you have advantage on Wisdom (Animal Handling) checks.

Bestial Claws (1–7 psi): You manifest long claws for an instant and make a melee weapon attack against one creature within 5 feet of you. On a hit, this attack deals 1d10 slashing damage per psi point spent.

Bestial Transformation: As a bonus action, you alter your physical form to gain different characteristics. When you use this ability, you can choose one or more of the following effects. Each effect has its own psi point cost. Add them together to determine the total cost. This transformation lasts for 1 hour, until you die, or until you end it as a bonus action.

- Amphibious (2 psi). You gain gills; you can breathe air and water. Climbing (2 psi). You grow tiny, hooked claws that give you gain climbing speed equal to your walking speed.
- Flight (5 psi). Wings sprout from your back. You gain a flying speed equal to your walking speed.
- Keen Senses (2 psi). Your eyes and ears become more sensitive. You gain advantage on Wisdom (Perception) checks.
- Perfect Senses (3 psi). You gain a keen sense of smell and an instinct to detect prey. You can see invisible creatures and objects within 10 feet of you, even if you are blinded.
- Swimming (2 psi). You gain fins and webbing between your fingers and toes; you gain a swimming speed equal to your walking speed.
- Tough Hide (2 psi). Your skin becomes as tough as leather; you gain a +2 bonus to AC.

Psionic Weapon

You have learned how to channel psionic energy into your attacks, lending them devastating power.

Psychic Focus: Whenever you focus on this discipline, choose one weapon you're holding or your unarmed strike. When you attack with it while focused on this discipline, its damage is psychic and magical, rather than its normal damage type. Until you reach 6th level as a mystic, you don't add your Strength or Dexterity modifier to the psychic attack's damage rolls.

Ethereal Weapon (1psi): As a bonus action, you temporarily transform one weapon you're holding or your unarmed strike into pure psionic energy. The next attack you make with it before the end of your turn ignores the target's armor, requiring no attack roll. Instead, the target makes a Dexterity saving throw against this discipline. On a failed save, the target takes the attack's normal damage and suffers its additional effects. On a successful save, the target takes half damage from the attack but suffers no additional effects that would normally be imposed on a hit.

Lethal Strike (1–7 psi): As a bonus action, you imbue a weapon you're holding or your unarmed strike with psychic energy. The next time you hit with it before the end of your turn, it deals an extra 1d10 psychic damage per psi point spent.

Augmented Weapon (5 psi; conc., 10 min.): As a bonus action, touch one simple or martial weapon. Until your concentration ends, that weapon becomes a magic weapon with a +3 bonus to its attack and damage rolls.

Brute Force

You augment your natural strength with psionic energy, granting you the ability to achieve incredible feats of might.

Psychic Focus: While focused on this discipline, you have advantage on Strength (Athletics) checks.

Brute Strike (1–7 psi): As a bonus action, you gain a bonus to your next damage roll against a target you hit with a melee attack during the current turn. The bonus equals +1d6 per psi point spent, and the bonus damage is the same type as the attack. If the attack has more than one damage type, you choose which one to use for the bonus damage.

Knock Back (1–7 psi): When you hit a target with a melee attack, you can activate this ability as a reaction. The target must succeed on a Strength saving throw or be knocked 10 feet away from you per psi point spent. The target moves in a straight line. If it hits an object, this movement immediately ends, and the target takes 1d6 bludgeoning damage per psi point spent.

Mighty Leap (1–7psi): As part of your movement, you jump in any direction up to 20 feet per psi point spent.

Feat of Strength (2 psi): As a bonus action, you gain a +5 bonus to Strength checks until the end of your next turn.

CANTRIPS

Mage Hand

Tiempo de Lanzamiento: 1 action

Alcance: 30 feet

Objetivo: A point you choose within range

Componentes: V S

Duración: 1 minute

Descripción: A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again. You can use your action to control the hand. You can use the hand to manipulate objects, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it. The hand can't attack, activate magic items, or carry more than 10 pounds.
